FIRST BAPTIST WEEKDAY PRESCHOOL

108 NORTH MAIN STREET
STATESBORO, GA 30458
912-489-7926

Dear Parents,

This letter is regarding your child's Immunization Certificate. No child will be allowed to attend until this form has been approved and is on file in the FBC Weekday Preschool office.

FBC Weekday Preschool Policy and Georgia law require that all children entering FBC Weekday Preschool have a Certificate of Immunization, Form #3231, on file prior to attending. This form must include the following:

- Child's Name
- Name of Parent/Guardian
- Child's Date of Birth
- Date of Expiration
- Vaccine Administration Dates
- Date of Issue
- Signature of Issuer
 - NOTE: If a stamp is used the person using the stamp must put their initials and title by the stamp.
- Name and Address of the Healthcare Provider.

A clear, legible, photocopy of a dated & signed Form 3231 is acceptable. However, the information must not be altered in any way.

Your child's doctor and the Bulloch County Public Health Department will have Form 3231. The 3231 must be issued by a licensed Georgia physician or Health Department. If you are new to Georgia and do not have a doctor the local public health department can transfer your child's shot record to a Georgia Form 3231, but only if the child's immunizations are up to date. There will be a small fee for this. In addition, the health department can provide any additional immunizations that may be required.

Be advised that an updated certificate must be in my office within 30 days after the date of expiration. If I do not have an updated Form #3231, your child can not attend FBC Weekday Preschool until the form is received. This is Georgia Law, not FBCWP policy. Please keep a record of the expiration date on your child's Immunization Certificate.

If your child has a Medical Exemption for one or more vaccines, these must be marked in the Medical Exemption column of the 3231 and must include an expiration date.

Religious Exemptions are not documented on the 3231. This must be documented by a notarized affidavit stating that immunization conflicts with the parent's/guardian's religious belief. This will be placed in the child's file in lieu of a Certificate of Immunization. This also must be on file to register for Preschool. In the event of an outbreak, these children will not be allowed to attend FBC Weekday Preschool until notified.

The local Public Health Department is located at 1 W. Altman Street, Statesboro (912-764-3800).

Thank you for complying with FBC Weekday Preschool Policy and Georgia Law regarding Immunization Certificate Form 3231.

In His Love,
