## From our Pastor

As we move into 2025, I pray this will be a great year for you and your family. The Lord is working in many wonderful ways throughout our congregation, and this is a perfect time for you to take the next step in your walk with Christ.

### Family Prayer Night

Please reserve the afternoon of Sunday, January 26, for a Family Prayer Night in the Perry Fellowship Hall. This special gathering is designed for families to attend with children, and it will be a fun, engaging evening of helping families learn simple ways to incorporate prayer as a normal and natural part of their family schedules. Families will sit around tables and learn together, and supper will be provided. The Family Prayer Night begins at 4:30pm so we can have an early completion time in consideration of the children.

### Bible Reading Plans

It is not too late to start a Bible reading plan for 2025. We've put together a booklet of sample plans, which includes short-term plans (think "10 Day"), a New Testament plan, and a plan to read the entire Bible in one year. This printed booklet is available at the Next Steps area, but a digital version is also available. Pick up a booklet and start one of the reading plans this year, knowing that the Lord will bless your commitment and rhythm of regular Bible reading.

### Lottie Moon Offering for International Missions

In our lobby area is a counter that has been tracking the number of people globally who have died without Christ since December 1 and are now eternally in hell. The counter is rising at the rate that missiologists have calculated, and that number has now passed one million souls. It overwhelms me to consider that more than a million people have died without Christ since the start of December, and they are now forever eternally lost.

Your gift to the Lottie Moon Offering goes to direct support of more than 3,000 missionaries across the globe who are spreading the Gospel in far away and difficult places. Our goal is to raise and give away \$250,000, so I ask you to give generously through this offering so people across the globe can hear the story of Jesus, many of them for the very first time.
