Who Am I?

From our Pastor

Why Church Membership?

Have you ever wondered if the commitment to church membership was worth making? Who is eligible for membership, and who is not? The commitment of membership is a spiritual step that demonstrates your desire to be cared for and counted as part of a larger group of people.

Robbie Norman and I will lead a Membership Class on Sunday, March 2, at 4:00pm to explain how to become a member of First Baptist Church Statesboro. This class is intended not only for those who've already committed to membership but also for those who might be considering it as a next step. Attending the class does not obligate you in any way, so join us as we talk about the meaning of membership and how it can be an important next step of faith.

Committing to membership is a simple two-step process, with this class being one of those steps. I look forward to seeing you that Sunday afternoon as you consider this as a possible next step.

Footsteps of Paul, June 16-25, 2025

A few more slots have been made available for our trip to Greece and Turkey and our cruise among the Greek Isles, which trace some of the Footsteps of Paul from the New Testament. The registration period for this remarkable experience remains open for only a few more weeks, so I encourage you to take one of these open slots and join 30+ other travelers from our church before the registration window closes.

Our group will visit biblical sites such as Ephesus, Philippi, Thessalonica, Corinth, Athens, Patmos, and more. A three-day/night cruise among the Greek Isles that is part of this trip explores some of the routes taken by the Apostle Paul and others in the first-century world. This wonderful journey will be a great time of learning, worshiping, and fellowshiping with others as we return to New Testament sites and see where the faith of the early church spread.

Please let me know if you have any questions as you consider joining our group. Please email me at john.waters@fcboro.church for any information you need.
