From our Pastor

Churchwide Input Session

During our 40 Days of Prayer last year, you and other members of our congregation overwhelmingly noted the need for our church to consider the best way to optimize our church building usage. Since then, a group of 12 members has been elected to lead this task, and an architectural firm has been hired to assist.

However, prior to any decisions being made, we need to hear the ideas, questions, and concerns of our church members. You are invited to a Churchwide Input Session this afternoon at 5:00pm in the Perry Fellowship Hall, where you will be able to share your ideas and learn about options for remodeling or expanding our facilities.

Some of the questions to be considered and discussed this afternoon are:

- What rooms or areas need to be remodeled?
- What areas need to be upgraded to help move ministry forward?
- Should the historic sanctuary be demolished for parking, replaced with a new structure, or remodeled in some way?
- Are there choke points and crowded areas that need more open space?
- Are rooms for senior adults, young parents, and students located in optimal areas?
- Do we need a new multi-gen activities building? How could it be best used?
- Should more neighborhood properties be acquired by the church?

As you can see, we have many issues to consider, so your input is needed to ensure we focus on what our church members deem as priorities. During tonight's input session, we will capture your comments and relay them to the architects as they develop a plan uniquely tailored to our church.

Childcare will be provided for children in the fifth grade and younger. We anticipate this Churchwide Input Session lasting from 5:00 to 6:30pm.

Spring Missions Offering

We are still receiving our Spring Missions Offering, which is equally divided between starting new churches through our North American Mission Board and supporting ministry work throughout the Georgia Mission Board. Every dime and dollar you give will be sent to these causes, so give generously knowing that your gift will enable the Gospel message to be heard in places across Georgia and throughout North America.
