Be a Difference Maker

How can you make a tangible difference in the life of our church? How can you serve in an area that is consistent with your personality, interests, and strengths? Looking to take the next step in your spiritual journey? These questions and more can be answered when you find your place in our ministry of Guest Services.

Each week, we have newcomers visiting our worship services, preschool classes, and Bible studies, so helping people to be welcomed warmly and to find their way across our campus is a gift we can provide to them. From senior adults looking for a classroom to preschool parents trying to find the drop-off place for their children and to new residents in Statesboro who've never been inside our building—the ministry of Guest Services demonstrates our commitment to helping people start and strengthen their relationship with Jesus.

Too often, we forget how confusing our parking, entrances, and hallways can be. But can you imagine the difference it would make if newcomers had someone greet them in the parking lot with directions or a shuttle ride and then have friendly folks direct them to the correct location and answer questions about their children, restrooms, or where to find resources? The Lord can use small acts of service to make big differences, so I trust you will embrace and support the need for a robust and widespread approach to Guest Services.

Would you, at a minimum, attend the Guest Services Rally set for June 28, at 9:00am? At this special gathering, you will learn how Guest Services helps our church to serve others faithfully and how it can help you grow spiritually.

With a growing community around us and God's vision within us, we need hundreds of volunteers to find their place in our pursuit of God's plan for this church. Thank you for considering how this may be part of your own spiritual growth journey as you consider how you might serve in the ministry of Guest Services.

A Personal Thank You

Cynthia and I would like to thank you for the many cards and expressions of love and support on our 20th anniversary of ministry at First Baptist Church Statesboro. We were overwhelmed, and we received every card and note with a humble heart and grateful spirit. May the Lord continue to bless us as we serve Him together.
